Requests sanction to the rec but as dated 21-12-41 of the Mandya Town Mnl Council to waive the E T P Charges amounting to Rs 112 8-0 in connection with the Construction of a Veg table market at Mandya claimed by the P W D

1) It is stated that the Mnl Council has resolved to request Govt to waive the E T P charges amounting Rs 112/8 in view of the fact that the work was executed as an urgently improvement work out of the Cost being met out of the municipal funds and the T I grant of Rs 2835 given to the Mnlty in connection with the Visit of His Excellency The very fact that Govt have contributed something towards the work may be advanced as a reason not to consider why the proposal of the Mnl Council cannot be sanctioned

Feb 4/4 2) submitted for orders whether the proposal may be rejected, as otherwise it would become an irremovable precedent for a Change of Policy

5/4 3) The Chief Engr & the Legl may be consulted in the matter

Subject - Waiving of tools an plant charges claimed by the xecutive Engineer Mandya Division, in con ection with the constr ction of vegetable market at Mandya

---

In forwarding herewith a co y of report No C C 185/41-42 dated 12-1-42 from the resident, Municipal Council, Mandya on the bove subject, I have the honour to state that the Executive Engineer, andya division, claimed tools and plant charges at 12½% in connection with the construction of the vegetable market at andya under the supervision of the Public orks Department and that the Municipal Council have resolved at their meeting held on 21-12-41 that the Government be moved to aive the claim in view of the fact that the vegetable market was constructed partly out of Town improvement grants and partly out of Municipal funds

The ork is reported to have been taken up in connection with the visit of His Late Highness the Maharaja of Mysore to andya as one of the several improvements works towards which the Government had kindly sanctioned a grant of Rs 2835/- As the construction of the market had to be com leted urgently, the Executive Engineer was requested to get the work done under the supervision of his Depar ment A sum of Rs 112-8-0 as has therefore been claimed by the Executive Engineer as Tools and Plant Charges The President states that as the improvement

improvement of the market was partly done out of Town Improvement grant, the claimof Rs 112-8-0 as tools and plant charges would be an additional burden on the Municipal council and requests that this claimmay kindly be recommended to be waived

In the circumstances reported by the President, I recommend that sanction of Government may kindly be obtained for waiving the tools and plant charges claimed by the Public Works Department as a special case A copy of the resolution of the municipal council is enclosed for kind reference

Subject - Construction of Vegetable market at Mandya

--

I have the honour to state that the Executive Engineer, Mandya Division , in his letter No 2147 dated 20-3-1941 has intimated this office that the vegetable market in the bazaar street was constructed under the supervision of the P W D that at the time of the preparation of the estimate only the actual cost was taken into consideration, and the tools and plant charges was left out, He now requests that the tools and plant charges amounts to Rs 112-8-0 should be paid

In this connection I beg to state that during the visit of of the Late His Highness the Maharaja certain improvements were effected as an urgent measure and the improvements of the vegetable market was one of the improvements As the several improvements had to be done urgently, it was considered desirable to entrust the supervision of some of the works to the P W D Likewise the improvements of the above market was entrusted to the P W D At the outset the estimate was prepared for the improvements only and the bill was paid Later on the Executive Engineer intimated that the Tools and plant charges amounting to Rs 112-8-0 has to be paid Government sanctioned Rs 2335/-for several improvements during the visit of the Late His Highness the maharaja and the improvement of the vegetable market was also included in the improvements Owing to the urgency and to have better supervision of the improvements, the works were got done under the supervision of the P W D As the improvements were effected partly out of Municipal Funds and partly out of Government Grant, the claim of the Tools and Plant Charges seems to be an additional charge on Municipal Funds The question of payment of the above claim was placed before the Municipal Council in their meeting held on 21-12-41 and they resolved that Government may be requested through the Deputy Commissioner to waive

waive the claim A copy of the resolution is enclosed for kind reference

In the circumstances stated above, I request you to be so good as to obtain sanction of Government towaive the claim of the xecutive ngineer, 'andya Division as a special case
